

Resource Guide for Business

Updated December 2017

Business Resource Guide

This guide was developed with a business focus and designed to provide both public and private businesses, human resource personnel, hiring managers and supervisors about proven strategies and easy-to-use resources that can assist in retaining and accommodating existing employees who experience onset of a disability. The guide also provides valuable information and sources of support to business in hiring qualified employees who experience a disability, including strategies and resources that can assist in effectively accommodating all employees in achieving their maximum potential and productivity level.

Prepared for the Disability Employment Initiative by the NDI Technical Assistance Team, U.S. Department of Labor, updated December 2017.

This project has been funded, either wholly or in part, with Federal funds from the Department of Labor under Contract Number DOLJ131A22067. The contents of this publication do not necessarily reflect the views or policies of the Department of Labor, nor does mention of trade names, commercial products, or organizations imply endorsement of same by the U.S. Government.
