About the Community of Practice

This **Community of Practice** supports and shares ideas and insights into how to more effectively plan, implement and engage in career pathways to increase career opportunities for individuals with disabilities.

- Community of Practice members share a common interest or common goal.
- Members engage in joint activities and discussions, help each other, and share information.
- Members build relationships that enable them to learn from each other.
- Members develop a shared repertoire of resources: Experiences, stories, tools and ways of addressing recurring problems.

Join us on the WINTAC website to collect resources, information and to share ideas, challenges and successes in an interactive web-based format: www.WINTAC.org.
